

Dr Christopher Wilfred Guta

Chief Executive Officer

Dr. Christopher Wilfred Guta was born on 5th September, 1959. Having qualified first in the field of Chemistry, he joined the public service in 1982 working at the Malawi Bureau of Standards until 1991. This tour of duty was followed by another at the then Malawi Industrial Research and Technology Development Centre which ended in 2014 following his appointment to the Press Group as General Manager for PressCane Limited. On 7 April, 2015 Dr. Guta was assigned the duties of General Manager (Operations) at PCL Corporate Office to lend support to energy development projects including PressCane's RAMA Project. He rejoined PressCane as Chief Executive Officer with effect from 1 January, 2016. He has a passion for economic growth and development with learning and innovation as an entry point and is focused on applying these tools to enable PressCane Limited achieve its vision and mission.
